WHAT THEY USE IN OIFERS

- ✓ **Catalog with photos.** A product picked from the catalog goes into the quote with its photo, description and price.
- ✓ **The quote as a link.** The client gets a link. When they open it, the quote shows as "Viewed": you see when it was opened, how many times and on which device.
- ✓ **Online acceptance.** The client accepts the quote online with a code sent by email.
- ✓ **PDF when needed.** When the client wants a document, the quote can also be downloaded as a PDF.
